## ALB DE PURCARI 2020

**Type:** White

**Denomination:** PGI Stefan Voda

**Vines:** 50% Chardonnay - 35% Pinot Grigio - 15% Pinot Bianco

**Alcohol:** 13.5% vol.

**Volume:** 750 ml.

**Production area:** Moldova, Stefan Voda district

**Soil:** sandy clay, covered with a thin layer of chernozem (dark soil)

**Density:** 2900-3636 plants/hectare

**Training:** Double Guyot

**Vineyard age:** 15-20 years

**Vineyard location:** 110-185 meters above sea level

**Exposure:** South-East

**Amount of precipitation, annual average:** 450-550 mm.

**Sunny days per year:** 310-320

**Sum of active temperatures:** 3000-3250 °C

**Production:** 80-100 quintals per hectare

**Harvest:** manual in crates

**Harvest period:** early September

**Fermentation:** in steel at controlled temperature

**Maturation:** 6 months in French oak barriques

**Aging in bottle:** minimum 6 months

**Organoleptic characteristics:** dry white wine - pale golden color, it has a complex aroma of sweet fruit, with fine nuances of honey and hints of spices in the finish. The full and fruity taste is well balanced with broad but delicate oak accents.

The acidity is well defined, extending into the notable aftertaste.

Aged for 6 months in French oak barriques.

The recommended temperature for consumption is +10/+12°C

**Pairings:** grilled fish, chicken dishes served with a rich and creamy sauce, or a generous plate of semi-mature rind cheeses.

**General Mega Group Srl** (Distributore ufficiale Italia)

**Sede legale** S.S. 7 BIS-KM-50, (Palazzo Mercury) 80035 Nola (Na)
