Tasting Notes: A blend of character, produced from selected grapes from the Speia wine-growing micro-zone, in the Codru area. On the palate, lively aromas of dried plums and spices meet with delicate sensations of black cherries, raspberries and chocolate. The body is full, dominated by spicy tannins, which give a pleasant astringency. The fruity aftertaste invites you to prolong the pleasure of this wine.

Food pairings: dishes based on turkey or duck in the oven, well seasoned.
